

was set up in September 2001 by a group of enthusiasts who wanted to show their cars but didn't want to be restricted to a particular marque or model.

primarily caters for any performance or modified Fords, from Mk1 Escorts and Fiestas, through to the latest Focus and Pumas, but obviously not forgetting the famous XR's and RS's.

But this doesn't mean that standard cars are any less welcome, we do have members with their Fords the way Uncle Henry intended!

We offer the opportunity to attend shows; track days, rolling road sessions etc, the main emphasis is on having a good time. The club is divided into regional areas, spanning across the country. Upon joining you will be given details of the regional co-ordinators. Everyone is welcome at shows etc in all the areas. We plan to attend as many shows as possible each season, which generally run from April to September, these include Fordfair, Trax and RS days. So, with branches around the country we hope to cater for everyone.

We also have regional pub meets throughout. We aim to provide as many places as possible for members to display their cars at shows, which are in generally good condition but not necessarily concours. But if you own a concours car please don't feel that you would be made to feel unwelcome, we do have members who compete at venues such as autoglym concours shows and ford fair and do very well.

Membership costs £15 per year, which gives you a window sticker, a membership card, a colour magazine with all the up-to-date news and reports, 5 times a year and the all important access to as many of the shows as you'd like to attend. Other items of merchandise are available such as various club stickers, sunstrips, polo shirts, and more. We also have discounts with several companies such as Burton Power, HIC Insurance and Vortech Vinyl Art, amongst others.
